

A Hearty Appreciation for Everyone

For Valentine's Day, we will be giving appreciation hearts to everyone in class! Each appreciation will be written on a paper heart. You will receive multiple pages of hearts to cut out so you can write one for each classmate, one for Mr. Hashim, and one for your teacher. In class, we'll discuss and model appreciation sentences and ideas. Then, for homework, you will write the appreciations and store them in an envelope.

When you are done with all of the appreciations, bring in the class list with checked off names and turn each person's valentine heart into their paper bag.

The deadline for completing these is Wednesday, February 13th.

Please see the **suggested** homework schedule below for appreciation heart writing. Reference the class list on the backside of this page to correlate student numbers with names:
